Material from []

1. In the C/TAS/OS Weekly Activity Report #19 (9-15 May 1963), Paragraph B 1, we noted that C/TAS had retained one set of lesson plans - to which we have no objection - but had sent student certificates and records to the Registrar, which office delivered to []

2. Since the [] is an integral part of our [] Course and, parenthetically, since half of the students were not JOs, we think this routing was not appropriate.

3. In the future, may we please have such certificates and records sooner?
